CITY OF ROCKFORD

MAYOR'S MESSAGE

There has been a lot happening in the city since December. Our new council members, Debbie Buoy and Ted Hill, are working hard to get up to speed with the various city projects. The council has reviewed and approved 2015 goals. The warming house at the ice skating rink is open. A group is planning the replacement of the Riverside Park building. We had our open house and ribbon cutting at the Rockford Mall on February 20th. The Wastewater Treatment project is on schedule to be completed in April and the Maplewood Manor project is 98% complete.

Our long time dedicated Public Works Director, Dennis Peterson, has announced he will be retiring on May 1st. Dennis has been exceptional in maintaining our city streets, water towers, wastewater plant, parks, levy, city buildings and equipment. He has coordinated escalation plans

during potential flooding and has been 100% committed to Rockford. Dennis will be missed and we wish him all the best. This position has been posted on the city website, League of MN Cities and local newspapers. This is a vital role we need to fill in our city and candidates will be interviewed in March.

We have a new company picking up our recycling as of February 1st. Welcome to Rockford Randy's Sanitation. Thank you to Wright Recycling for providing this service for over 25 years! The recycling pick-up schedule will not change for 2015.

I wish all of you and your families a Happy St. Patrick's Day and fun filled Spring!

Renee

DENNIS PETERSON'S RETIREMENT

Join us at Public Works, 6551 Utility Drive, Rockford for an Open House on **Friday, May 1, 2015** from 1:30pm-3:30pm to honor **DENNIS PETERSON**, Public Works Supervisor, as he **RETIRES** from the City of Rockford after 35 years of dedicated service!

There will be a retirement party on Friday, May 8, 2015 starting at 5pm and dinner at 6pm at the Rockford Township Hall. Please stop by and wish Dennis a Happy Retirement!

ADMINISTRATOR'S REPORT

Spring is soon upon us, and with each spring comes new beginnings. In the coming weeks we will wish long-time Public Works Director Dennis Peterson all the best as he enters retirement after his many decades of a job well done. The city is currently interviewing many qualified applicants, one of which will step into this role and continue to provide high quality of services for our community.

With the demolition of the old park shelter, spring will usher in construction of a new shelter that is anticipated to provide public restrooms, meeting space and a kitchen. The new shelter design phase is ending soon and we will begin accepting proposals for construction in the near future. Also experiencing renovation, the Ames-Florida-Stork House will begin a restoration process this spring that will protect the artifacts displayed therein and provide a better environment for visitors to enjoy.

The Rockford City Center Mall remains an ongoing work in

process, and we hope spring will bring new interest and tenants to join the businesses currently at the mall. We continue to advertise mall space for rent and out lots for sale, and continue to work hard to bring businesses to our community. After a few years of slower growth, it appears our on-going efforts to promote our community are being noticed. We have been in contact with housing developers over the past few weeks who appear interested in bringing new homes to our community. We are working hard to support new construction and to provide well-managed growth for our city.

There are many other projects that are currently in the works, and we look forward to all the opportunities that spring will present. It is a great time to be a part of the Rockford community, and we are excited about all that our city is, and all it will become.
